Dr. to Henry Chapman,

On approval,  
Washington, De Grasse-Tilly, Rochambeau. Busts right. Rev. Capitulation  
of Yorktown. Medal by Turin. Silver. Struck for Bicentennial 1932. \$10.

Dear Sir,

We are sending the above medal on approval under separate cover and hope it will meet with approval. We regret we cannot make any discount on this particular piece as it cost us the price charged to import it not counting the postage. You will remember I reduced the prices of items you were interested in in several instances and inasmuch as our prices are always marked as low as is consistent with a reasonable profit, hope you will try to look at it from our point of view also/

Thanking you for past favors, we are,

Yours very truly,

Kisch, Guido, Prof.
